STATE OF SOUTH DAKOTA

EXECUTIVE OFFICES

PROCLAMATION

The month of September marks the beginning of another school year for the school children of our State and with the start of which thousands of our school boys and girls will again be using our streets and highways on their way to and from our many schools.

Considering this brings to our mind the dangers to the life and limb of these children by reason of motor vehicle traffic upon such streets and highways.

Time after time the homes of citizens of this state and the citizens of the nation have been saddened by the death or serious injury of some beloved member as a result of the improper use of our streets and highways, and as a result thereof good citizenship should impel all of us to accept our share of the responsibility to see that our streets and highways are made safe for not only our school children but for all of the citizens of the state.

Therefore, I, Tom Berry, Governor of the State of South Dakota, acting in cooperation with the Governors of other states, do hereby proclaim the month of September in the year 1985 as "Street and Highway Safety Month", and I respectfully request that each of our citizens assume their share of the responsibility to the end that South Dakota school children and citizens may use our streets and highways with safety.

In Witness Whereof I have hereunto affixed my hand and caused the Great Seal of the State to be affixed hereto this thirty-first day of August, 1985.

Tom Berry
Governor
